Thurston County Presents

Organic Land Care Accreditation Training

For Landscape Professionals

November 4 - 8, 2013 - Olympia, WA

Thurston County, in cooperation with Oregon Tilth is offering a five-day training for landscape professionals focusing on organic practices including soil biology, Integrated Pest Management, organic weed management, marketing organic land care, stormwater management, toxics and pollution reduction, tree care and more.

Participants who complete the training, pass an examination, and agree to program policies will be eligible for Oregon Tilth Organic Land Care Accreditation.

Register today by completing the form on the back side or register at www.tilth.org

Participants in the training will receive a copy of the Oregon Tilth Organic Land Care Field Guide and the Oregon Tilth Organic Land Care Policies and Standards. The guide works to inform and clarify preferred, required and prohibited practices for use in the Organic Land Care (OLC) Program. The Organic Land Care Policies and Standards offers detailed information related to OLC practices and what is required to maintain OLC practitioner accreditation. Local/organic lunch and snacks included!
Participants who complete the training, pass an examination, and agree to OLC policies will be eligible for Oregon Tilth Organic Land Care Accreditation. The accreditation examination will be available on the last day of the training.

For more information, please call (503) 378-0690 or email johnnsoj@co.thurston.wa.us

5-day Training will Include a Variety of Speakers and Experts and local, organic lunch and snacks.
Topics to Include:

Integrated Pest Management
Organic Weed Management
Organic Pest Management

Marketing Organic Land Care
Naturescaping for Wildlife
Soil Building

Local Resources
Stormwater Management
And much more!
