Oregon Tilth Presents

Organic Land Care Accreditation Training

For the Landscape Professional

January 25 - 29, 2010 - Oregon City, OR

A five-day training for professionals focusing on organic landscape practices including Integrated Pest Management, soil building, sustainable landscapes, organic weed management, marketing organic land care and more.

Participants who complete the training, pass an examination, and agree to Organic Land Care policies will be eligible for Oregon Tilth Organic Land Care Accreditation.

Be a part of the first annual Organic Land Care Program, Register Today, by completing form on the back side or register online at www.tilth.org

Participants in the training will receive a copy of the *Oregon Tilth Organic Land Care Field Guide* and the *Oregon Tilth Organic Land Care Policies and Standards*. The guide works to inform and clarify preferred, required and prohibited practices for use in the Organic Land Care (OLC) Program. *The Organic Land Care Policies and Standards* offers detailed information related to OLC practices and what is required to maintain OLC practitioner accreditation.

Participants who complete the training, pass an examination, and agree to OLC policies will be eligible for Oregon Tilth Organic Land Care Accreditation. The accreditation examination will be available on the last day of the training.
