Oregon Tilth Presents

Organic Land Care Accreditation Training

For the Landscape Professional

October 6th - 10th, 2014 - Seattle WA

Register today by completing the form on the back side or register online

An intensive workshop for landscape professionals focusing on OLC principles and applications, including soil balancing and testing, soil biology, and plant pathology.

Oregon Tilth, in partnership with South Seattle Community College and with support from Seattle Tilth, is offering a five-day training for landscape professionals focusing on organic practices including Integrated Pest Management, soil building, sustainable landscape design, organic weed management, marketing organic land care, storm water management, tree care, sustainable resources and more.

Participants who complete the training, pass an examination, and agree to program policies will be eligible for Oregon Tilth Organic Land Care Accreditation.

Registration fee for 5-day Training: $550
(Early registration discount: $495 before August 20th, 2014.)

Accreditation examination is an additional cost of $100 (to be paid with registration fee). The accreditation examination will be offered on the last day of training.

Registration includes a copy of the *Oregon Tilth Organic Land Care Field Guide*, along with the *Oregon Tilth Organic Land Care Policies and Standards*, training materials and lunch and snacks.
