

COMPREHENSIVE ORGANIC GARDENER PROGRAM

A PRACTICAL SERIES FOR THE URBAN AGRICULTURALIST

In partnership with Seattle Tilth, Oregon Tilth offers a multi-session program in organic vegetable gardening. The curriculum merges scientific and functional approaches, while emphasizing hands-on practice. This unique course introduces beginning gardeners to the dynamic world of organic gardening, and gets their hands dirty in the process!

Program runs from April 23 - May 14, Thursday evenings 7-9pm and Saturdays 10-3pm
\$250, or \$225 for Tilth members
