

Name:	OTCO Client ID #:	Year

HERD LIST NOP §205.236

Use this form to report a current list of all ruminant animals (newborn calves – adults) managed on-site. Please include all conventional animals as well. This list must be updated and submitted annually. You can update this existing list from year to year or provide a new list; however, please ensure all ruminant livestock are positively identified and traceable from year to year. The following information may be provided in another format as long as it contains equivalent information. Use additional pages as needed.

TYPE OF LIVESTOCK	IDENTIFICATION # / NAME	DOB/ CONVERSION DATE	DAM ID	ORGANIC SLAUGHTER ELIGIBLE ~Managed organically from the last third of gestation ~No restricted substances that exclude (Includes parasiticides)	ORIGIN Born on-farm or Purchased/Source	NOTES Include any information pertaining to slaughter eligibility, use of prohibited substances, date of purchase & seller, sold, died, etc.
